

Project Sprint#2 Teamwork Assessment

Who are your team members in this project?

Mothuso Malunga

Ezra Ngare

Tianshuo He

Based on your best estimation, how much work did each team member contribute for Sprint#2 work/presentation? (Name and percentage; e.g. Singh 30%, Smith 40%, Doe 30%)?

Mothuso Malunga – 25%

Ezra Ngare – 25%

Tianshuo He – 25%

Farouk Haroun – 25%

Are you happy with the efforts of your team member on Sprint#2 work/presentation?
Yes/No? Why/Why not? What can your team members do to improve? (2-3 lines)

Yes, I'm happy with my team members' efforts. I think we can be a little more organized by doing things before hand instead of last minute.

Describe the effort put in by each team member on this part of the project submission? Who did what?

(1-2 paragraph)

Farouk – Worked on backend, plus integration

Mothuso – Worked on frontend, plus integration

Ezra – Worked on both teams, plus wrote the test cases

Todd – Worked on both teams

Please complete the teamwork assessment using the provided rubric on next page for each member in your group (including yourself). Individual grade on Sprint#2 will depend on this teamwork assessment.

Group Evaluation Rubric

Criterion	4	3	2	1
Effort	Produced additional resources for the group; extraordinary effort demonstrated	Fully prepared; completed all agreed tasks; competent, but not extraordinary	Minimal preparation; superficial knowledge of resources; minimal effort	Little or no evidence of preparation; no effort shown
Attitude	Exceptionally positive and constructive; encourages other group members	Positive; supportive; mostly constructive and upbeat	Neutral; neither encouraging nor discouraging; disinterested in the performance of others	Disparaging; negative, withdrawn or belligerent; absent
Contribution	Outstanding contribution; above-and-beyond; work is excellent in form and substance	Good quality work; few revisions or additions are necessary	Poor quality work; substantive errors; much revision and editing is required	Poor quality; little, if any, contribution to group goals
